EXPERIENCES

Co-Founder   Dec 2021 - Present

Co-Founder at SEMI; start-up establishment.

Project Manager   Present

SEMI; project manager and Web Development team leader.

Club Leader   Apr 2020 - Apr 2021

Led JUC Computer Science Club for more than one year. It was an exciting journey to volunteer in this role. Leading a team and a student club was a big challenge for me. But, it benefits me a lot in terms of management, teamwork, and leadership.
